As we look back on our last four years, we begin to realize what a special place Leominster High School has truly become. This may be the end of our adventure through adolescence, however it marks the beginning of our journey through our adult life. Nostalgia has set in, and Leominster High School has proved to have a significant impact on our lives. Although we may embark on obstacles that have not been faced thus far, our missions as Double Oh Seven will always be accomplished with the lessons learned here at Leominster High School.

# Class Advisors

To the members of the Class of 2007

It is with mixed emotions that we must say congratulations and farewell to you. We have had the great pleasure of seeing you mature from the young freshmen who entered LHS in the fall of 2003 to young adults with infinite potential. During your four years at LHS, you experienced significant change with the implementation of small schools. You have embraced these changes with maturity and enthusiasm, making you who you are. You have brought back school spirit in your enthusiasm for all activities. Your excitement has been instrumental in your three consecutive Thanksgiving Day victories over Fitchburg. You have supported each other in the many successes at theatre competitions, vocational skills competitions, and (most importantly) academics. It is with selflessness that you gave back to your community in so many ways: the Canned Food Drive, Toys for Tots, coat drive, care packages for soldiers, community service days, Youth Venture, building a house for Habitat for Humanity, and many more. Be proud and remember that because you always chose to do it with class you will be that class that inspired and set an example for future LHS Seniors. Overall, for these reasons and a host of others, you will be greatly missed at Leominster High School. You have made us laugh and made us proud. As you go forward towards the next step in your journey called life, we hope you will keep in mind the fond memories you have made, an encouraging message from a special teacher, or these words...

*Mrs. Carol Robison and Mr. Ben Joseph*

As you go forward on the path of life

Our wish for you is that this life becomes all that you want it to be

Your dreams stay big, and your worries stay small

And You never need to carry more that you can hold.

And while you're out there getting where you're getting to

We hope you know somebody cares about you

-Rascal Flatts, My Wish

You are special people. Become the most you can be.

Mr. Joseph and Mrs. Robison

# Class Officers

Congratulations Class of 2007! Remember your first day at Leominster High? Asking for directions, meeting students from schools other than your own, feeling intimidated, trying to adjust to a new stage in your life. Over the past four years, we have matured together, we have grown together, and regardless of where life will take each of us next, we are better prepared for having been a part of the Class of 2007. Academically, athletically, artistically, and musically, each of us has made lasting contributions to Leominster High School and the community. Whether we stay in touch or drift apart, take a part of Leominster High with you; take the lessons you learned, take the memories you made. The future looks bright for all of us. Life is a daring adventure or it is nothing, and if the Class of 2007 knows how to do anything, we know how to make life an adventure. Don't cry because it's over, smile because it happened. Dr. Seuss could not have said it better, "Today you are you, that is truer than true, there is no one alive who is youer than you. The more that you read, the more that you'll know, the more things you'll learn, the more places you'll go. You have brains in your head, you have feet on your shoes, you can steer yourself any direction you choose. Today is your day! Your mountain is waiting, so get on your way! Today was good, today was fun, tomorrow is another one."

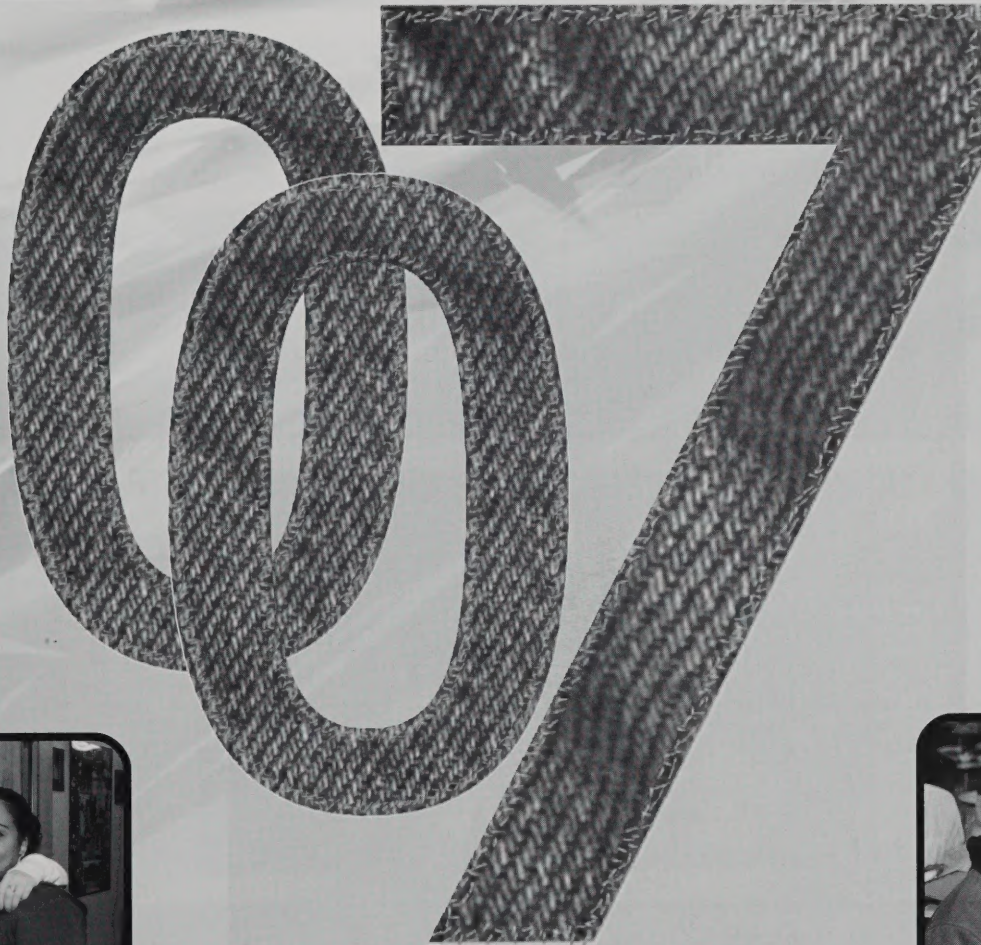

Your Class President,  
Caitlin Emma

# CLASS OF 2007

## Freshmen Year

The class of 2007 entered the doors of Leominster High School as freshmen in August of 2003. That year, Dr. Dominic Ciccolini retired and was replaced by Mr. Tom Browne as assistant principal. Additionally, we selected our first class officers consisting of President Aaron Studham, Vice President Caitlin Emma, Secretary Joanna Heng, and Treasurer LaShawna Brooks. All these individuals were extraordinarily crucial in guiding us through an eventful freshmen year. We happily elected Matt Booth and Caitlin Emma as our members of Homecoming Court. While many of us were becoming more involved with new clubs and team sports, some of us participated in the All-School Play, "10 Little Indians," musical, "Peter Pan," and especially the freshmen class play in which we performed "The Chronicles of Jane." Also, the New England Patriots won the Super Bowl against the Carolina Panthers with a final score of 32-29. As our freshmen year was gradually coming to an end, we were excited about leaving the Freshmen Academy and entering the adventures of the following three years.

## Sophomore Year

In August of 2004, the class of 2007 reentered the high school, not as the underdog freshmen we had been before, but as sophomores, one year closer to being on top. The pilot small school was implemented, and many members of our class were part of the new program. The class was led by student council members Aaron Studham as President, Caitlin Emma as Vice President, Joanna Heng as Secretary, and Dave DiCiccio and, later, Viennie Chanthachack as Treasurer. This student body government was led by class advisors Mr. Joseph and Mrs. Robison. In the fall, the Homecoming titles were received by Zach Gauvin and Brittany Lanza. The Blue Devils football team came out on top on Thanksgiving morning, beating Fitchburg's Red Raiders with a final score of 19-14. The theatre department had a packed schedule of productions. The sophomores performed the three interclass plays "Cover," "Attack Of The Moral Fuzzies," and "Loyalties." The all-school play was "Harvey," and "Guys & Dolls" was selected as the year's musical. By the end of the year, we realized we were halfway there.

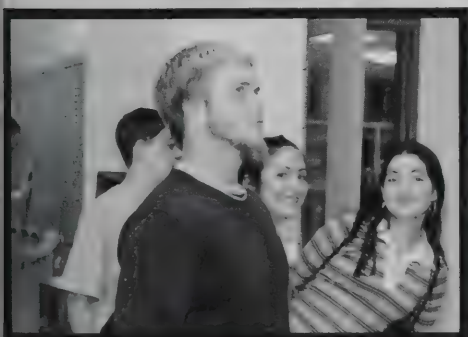

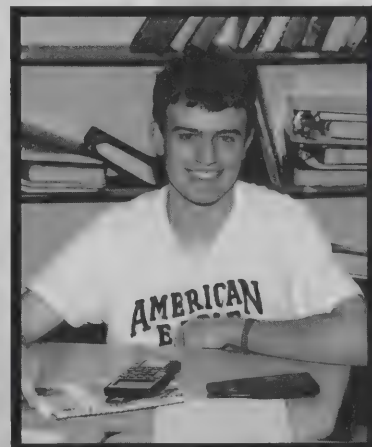

# HISTORY

## Junior Year

As the Class of 2007 returned for our third year at Leominster High, we realized we held some, but not all, of the cards in our hands. We were juniors and that meant a rigorous and very important year in our High School careers was ahead of us. Our student council was led by President Caitlin Emma, Vice President Alaina Lucchetti, Secretary Rachael Milano, and Treasurer Stephanie Ciccolini. Nicole Weaver and Tom O'Leary proudly accepted their roles as members of Homecoming Court. The Blue Devils defeated the Fitchburg Red Raiders in their yearly Thanksgiving Day meeting with a score of 20-6. Our interclass plays were "Bed & Breakfast," "Scruples," and "Outlaws." "42nd Street" was the all-school musical, and many members of our class participated. A Community Service day was held, and each small school helped to clean up sites around the city. We spent a fun-filled and memorable night under the stars at the "City Lights" junior prom. As the year ended and we said goodbye to a few members of the faculty and the senior class ahead of us, we came one step closer to outgrowing our adolescence.

## Senior Year

Our final year began in August of 2006 when our class returned to Leominster High School as seniors. Led by our class advisors Mrs. Robison and Mr. Joseph, we were sure to have a great senior year. At the head of the class were student council members Caitlin Emma as President, Alaina Lucchetti as Vice President, Rachael Milano as Secretary, and Stephanie Ciccolini as Treasurer. The class chose Danny Anthony and Ashley Robison as members of the Homecoming Court, and Zach Gauvin and Lauren LeBlanc were awarded the crowns of Homecoming King and Queen. As fall came, senior activities began. We enjoyed the senior breakfast and, after much planning, showed our school spirit at the Thanksgiving Rally. The '07 picture was taken; and we left for our break ready to face Fitchburg at the newly renovated and reopened Doyle Field. The game was a success, with the Blue Devils coming out on top and beating the Red Raiders with a final score of 34-6. "Annie Get Your Gun" was the year's first theatrical production as the musical, and many members of our class were involved. A sense of urgency set in for winter with college application deadlines. As the year hit its midpoint, it became clearer that senior year would soon be coming to a close. We looked back at our class that has become one and think of the bonds that have been made. The memories would keep coming, and we looked forward to the fun that was still in store.

# Homecoming/Dance

On Friday, September 29, 2006, Leominster High School held the Homecoming Festivities at Doyle Field. During half-time, the crowns of King and Queen were received by Zachary Gauvin and Lauren Leblanc. The court consisted of seniors, Ashley Robison and Danny Anthony, juniors, Briana Dymont and Ben Cauley, sophomores, Katherine Mazzaferro and Sonny Heng, and freshmen, Meghan Force and Franklin Gonzalez. The festivities carried over to the following evening for the homecoming dance.

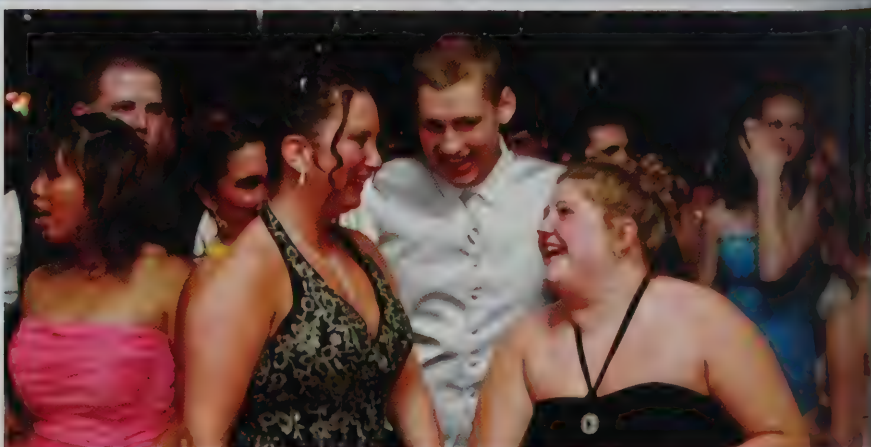

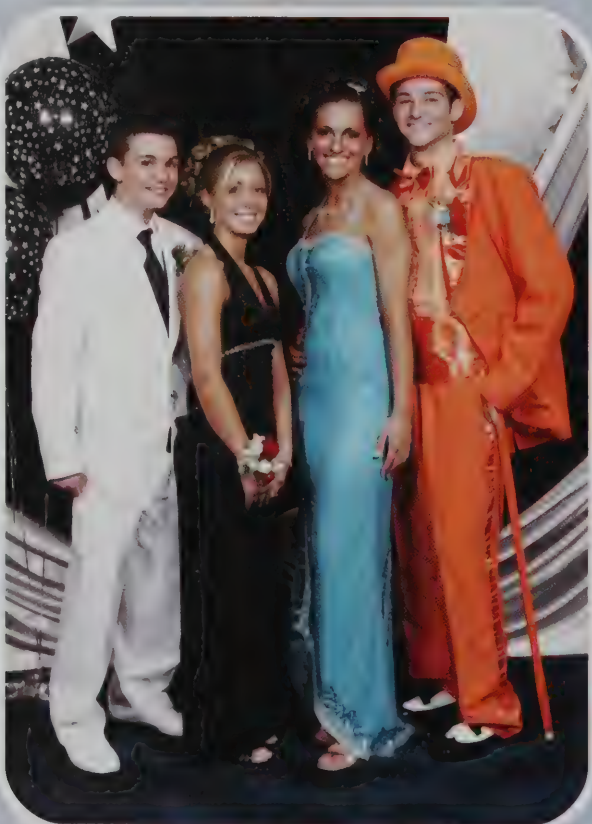

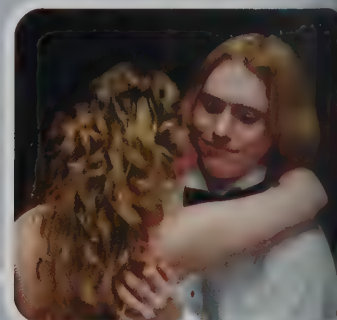

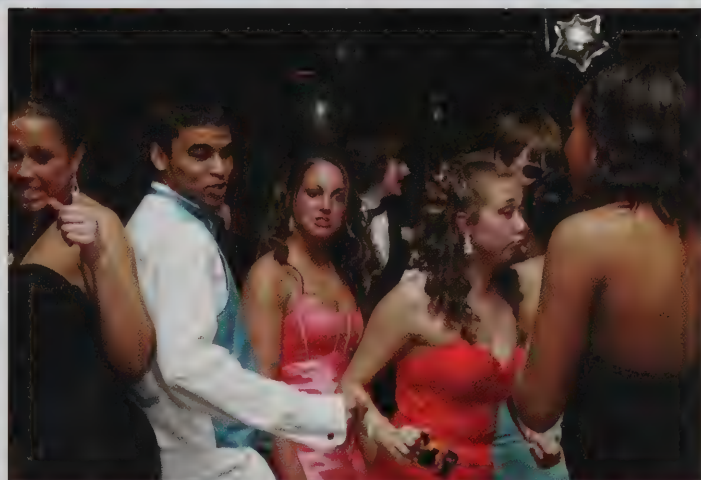

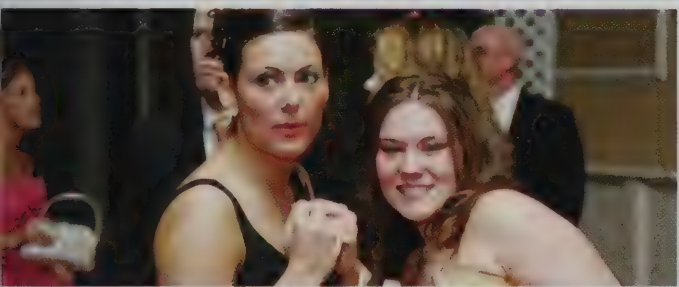

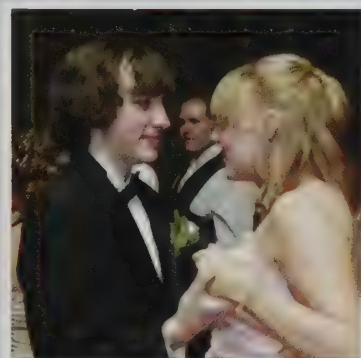

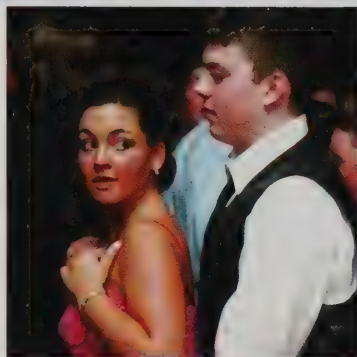

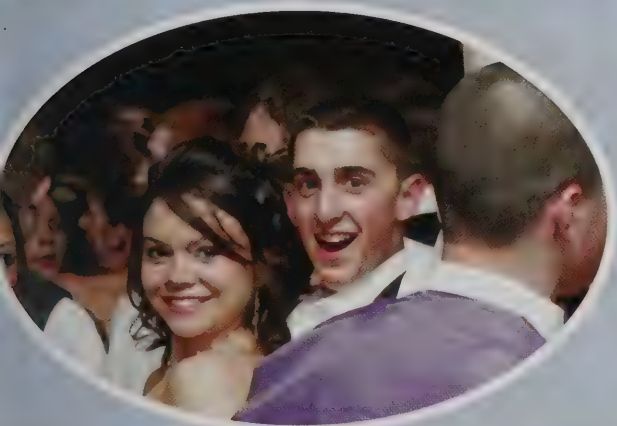

# Junior Prom

*"City Lights"*

Junior Prom of 2006 has been the most memorable. Nearly everyone in the Junior class spent their night at the Sheraton Hotel dancing the night away under "City Lights." The ballroom was decorated with extravagant black and silver stars and balloons filling the night sky. The tables were set with silver photo albums naming different cities and balloons as centerpieces. This was an unforgettable night which will forever remain as one of our fondest memories of high school.

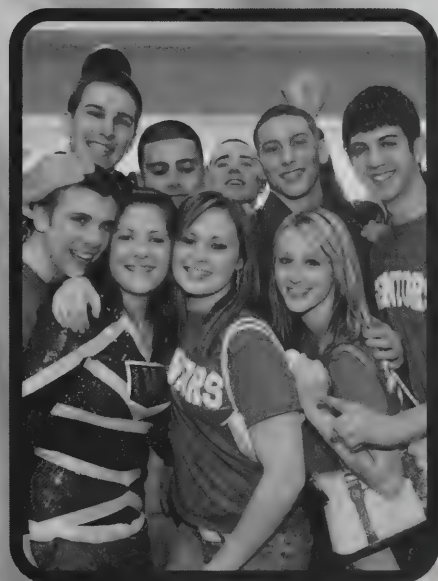

# Senior Breakfast

On Tuesday morning, November 22, 2006, our annual senior breakfast was held in the cafeteria. Among those in attendance were the Senior class, faculty, and our All-Star football players. We all enjoyed a delicious breakfast including eggs, bacon, sausage, homefries, danishes, and muffins that were prepared by the Culinary students and faculty of CTE. After enjoying breakfast and much socialization, everyone made their way inside the wooden gym for our anticipated Thanksgiving Day Rally.

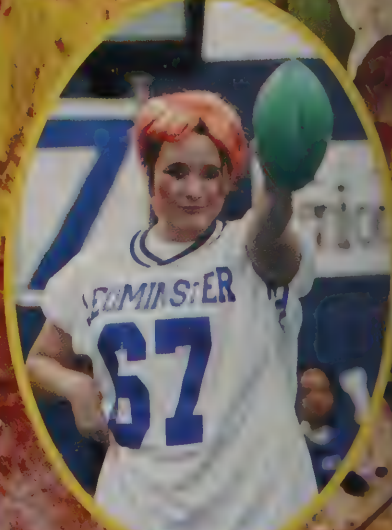

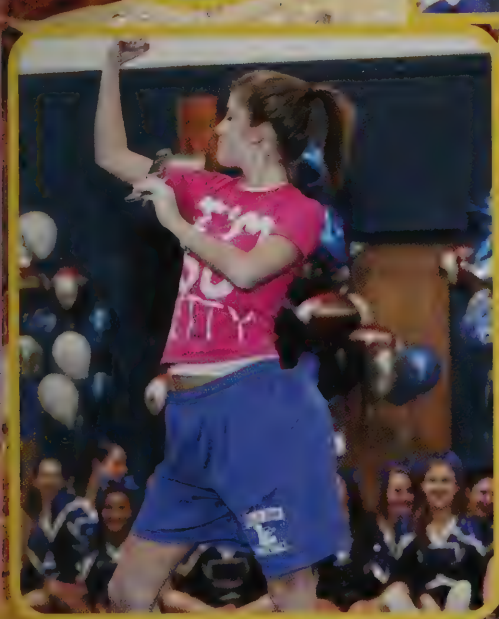

# THANKSGIVING RALLY

On the Tuesday before Thanksgiving, the Class of 2007 presented the best and most memorable Rally yet. The fans came in and were blown away by the hysterical skits performed by the mock football players and cheerleaders. The Step Squad performed in the Rally and also helped pump up the crowd. Additionally, the 2007 Fan of the Year went to Paulette Robichaud. A special thanks to all the seniors and Advisors that put their time and effort in making this Rally an unforgettable event. The gym was filled with eager fans awaiting for the win that was to come just two days later as the Devils burned the Raiders 34-6.

# Musical

## Annie Get Your Gun

On December 8th and 9th, 2006, hundreds were in attendance for this year's all school musical, "Annie Get Your Gun," presented by The Leominster High School Theatre Company. It was a straight shootin', heart stopping event that left audiences with memories to last a lifetime. Starring in this production were Leominster High School's Julian Kronick, Melanie Tata, Will DiFrancesco, Ed Rivera, Bethany Singleton, Alix Todd, Robbie Harrison, and Anthony Decicco. Stay tuned for upcoming productions from the Leominster High School Theatre Company.

*Not So Secret Agents*

Dear Senior Class,

Each year, the principal is honored with the opportunity to address graduating seniors in the yearbook. This year is unique, for I will leave Leominster High School with the Class of 2007. This class embodies a Leominster High School essence that I hold dear. The Class of 2007 are scholars, participatory school citizens, and more importantly good people.

The Class of 2007 embraced The Coalition of Essential Schools Principle; use one's mind well. Your wonderful work was seen in Science projects, the Social Studies fairs, and the FAME extravaganza. As a class, your average GPA increased year after year demonstrating your commitment to excellence. The Class of 2007 will attend the world's finest colleges and pursue other exciting post-secondary experiences.

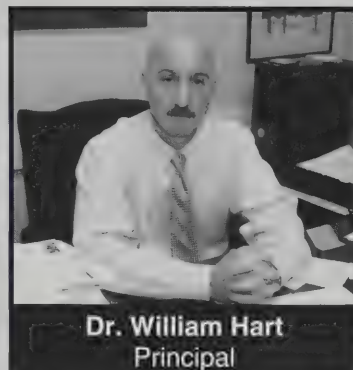

This class is a group that actively participated in the high school experience. Athletic teams responded to your leadership with impressive seasons, often ending in state tournaments. Our music, robotics, community service, and a host of other clubs had record membership. Finally, school spirit was at an all time high as reflected in Athletic competitions, Winter Carnival, and other school-wide activities. Your positive impact will be felt for years to come.

Finally, the great humanity embedded in this class is truly moving. Our community service program grew significantly under your leadership. This class sponsored impressive fundraising for Breast Cancer, Katrina Victims, and fallen classmates. You led Leominster High School with your hearts and made an indelible impact on the entire school community.

I will miss the Class of 2007. I wish you love, happiness, and prosperity.

Best of Luck!

# VARSITY FOOTBALL

The Leominster High School Varsity Football Team of 2006-2007 had an outstanding season this year with an overall record of 8 wins and 3 losses. Coach John Dubzinski and Senior Captains Jonathan Hernandez, Michael Gentili, Zachary Gauvin, Dean Boisse, and Matthew Booth kept our team going with heart, pride, and dedication. Based on their great effort and the school spirit of the fans, we accomplished a grand defeat against archival Fitchburg with a final score of 34-6. We wish the underclassmen good luck for the upcoming varsity football team. Go get 'em boys!

The 2006-2007 Leominster High School cheerleaders had two great seasons. Led by coaches Tracey Hartman, Wendy Rellstab, and team seniors, the girls supported their teams in a manner that impressed the fans. In 2006, the team took many titles including Mid-Wach and Regional Champions as well as placing in the top three of the state. The girls will compete at Nationals in Florida against teams from all over the country, ending their season in March.

# BOYS' VARSITY SOCCER

This year's Boys' Varsity Soccer team had a great season. The team was led by senior captains Thomas O'Leary, Danny Anthony, and David Ferreira. Although they lost to Marlborough in the quarter finals, they ended the season with an impressive record of 9-8-1. The team's outstanding goalie, senior Thomas O'Leary, won the MVP award of the year while senior Jose Diego recieved the Coach's award. Along with them, Coulter Brenner was given the award for Most Improved. The team also earned four Central Mass Allstar awards, which were given to Ignacio Cespedes, Danny Anthony, Thomas O'Leary, and Mateo Santos.

The Lady Devils prospered in the fall season of 2006 making it into the playoffs with a record of 8-7-3 despite many injuries. Senior Captains Emily Griffin and Caitlin Jones inspired their teammates to work together on and off the soccer field to achieve the necessary wins to make the post season. Coach Todd Turcott was pleased that this season mirrored his first year coaching at LHS in 2003, finishing with the exact same record. Unfortunately, the Devils were knocked out in the first round after a brutal endeavor with Marlboro. The Girls' Varsity Soccer team finished their season with two All-Star candidates, Erica Cordio and Emily Griffin. Amanda Levasseur won the Coach's Award while Jennifer Lever was voted Most Improved, and Emily Griffin was named the MVP. As the year rounded off, Coach Turcott was forced to say farewell to his seniors who have athletically matured with him since day one in his prime their freshmen year. Although the Devils failed to reach districts as hoped, they successfully accomplished an irreplaceable bond as not only great teammates, but as sisters.

# CROSS COUNTRY

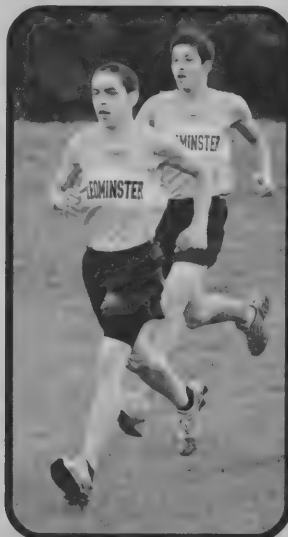

The 2007 Varsity Cross Country team was led by Coach Cleaves, Assistant Coach Danielle Brideau and senior captains Jon Hoyt, James Leader, and Juliana DiMarzio. The top male runners for the season were Jon Hoyt, James Leader, and Dave Jennison, who were also the League All-Stars, while the top female runners were Juliana DiMarzio, Lauren Croteau, and Christine Bettencourt. The award for MVP went to James Leader, who also qualified for States held at Northfield Mt. and the MIP Award went to Nathan Matthews. In addition, the Coach's Awards were received by Juliana DiMarzio and Nicholas DelGuidice. All team members made personal improvements and the underclassmen are looking forward to next year with high hopes.

# GIRLS FIELD HOCKEY

From August to October, Leominster Lady Devils Field Hockey Team was in full force. These enthusiastic ladies had an interesting season. Captains Nicole Weaver, Cassy Arsenault, and Amanda Wheeler led the team through some triumphant highlights during the 2006 season. The Varsity Field Hockey Team defeated Milford (5-0), and also ruined Saint Bernard's perfect record in an amazing upset. The Junior Varsity Field Hockey team also endured an amazing season with an impressive winning record. This year's most improved player went to Ashley Robbins for her intense dedication and skill. Alaina Luchetti was awarded the team's MVP with her outstanding performance as goalie. Last but not least, junior, Kaleigh Force was given the coach's award for her fantastic ability to play field hockey and always deliver the type of "game" coach Nicholson preferred. This was another amazing field hockey season for the record books!

## Captains

**LaShawna Brooks**

**Elizabeth Dailey**

**Gina Lemoine**

**Lexi Munsey**

**Tristan Peasley**

The Varsity Girls Volleyball team was deemed one of the best the school has ever put on the floor since its inception fifteen years ago. Although the team once again just missed the chance to play in the district tournament, falling one game short, they consistently proved that they finally had the tools to play with the likes of some of the State's best Division I teams. The Lady Blue Devils lost seven games by one point in a fifth and final game and they played toe to toe with the league powerhouses including Marlboro, Milford, and Westboro. The team had plenty of size this year and needless to say, they recorded countless blocks. The teams twin tower Capt. Tristan and Sr. LaShawna frequently got the crowd into the game as they teamed together to reject the fierce outside hits of their opponents. The pair also led the charge as they recorded multiple kills in almost every game they played in. Tristan and LaShawna had plenty of help from their vertically blessed teammates who also played the net with power and prowess rarely seen at LHS. Sr. Rachael and Jr. Kate and Melissa came to be feared by the opponents due to their considerable ability to block and hit. The Blue Devils also packed a punch in the serve with several outstanding servers. Sr. Capt. Lexi was the team's sharp shooter, but she had plenty worthy assistance in Seniors Liz, Leyda, Houachua, Tristan, and Mina. The team diggers were also a talented group. This group was consistently led by the spirited play of libero Christine. Christine led the charge on defense and was aided by the back row play of Gina, Houachua, Tristan, and Liz. The team could not have reached this success without the play of its setters. The setting duties were spearheaded by the talented Sr. Capt. Leyda. Leyda not only took on the better part of the setting duties, but she also provided the spark in the charge on defending the back row. Leyda, Houachua and Jr. Remy set up the outside hitters and led the charge on defending the net. The team has a great deal to be proud of as it will be remembered as the group who made Leominster Volleyball a force to be reckoned with.

The 2006-2007 Boys' Basketball season brought life back to the hardwood at LHS. Their impressive 13-8 record included wins over rival Fitchburg, Shrewsbury, Wachusett, and St. Peter's. Led by Senior Captains Tom O'Leary and Eric Little, the team earned a district playoff berth and finished second in the Mid-Wach League with an outstanding 9-3 mark. Freshman Tyler Strange and Junior Brandon Haschig earned All-Star status for their consistent and impressive play throughout the year while O'Leary was voted as the Student-Athlete of the Year for the entire league. Coach Dubzinski credited the leadership of fellow seniors Josh McDonald and Justin Dennis in addition to Little and O'Leary for putting LHS Hoops "back on the map."

The Leominster High Girls' Basketball team kicked off the season with a rocky start. Losing 6 girls (5 graduated seniors and one injured returning junior) made the job of the returning varsity players very hard. After a 2-6 start to the season, the Lady Blue Devils turned around to end the regular season with a record of 12-8. The Devils advanced into the playoffs with their first game at Fitchburg. In one of the most intense games of the season, the Devils came out with a victory. After the game at Fitchburg, the Devils advanced to the second round of the playoffs to play against Westboro. Unfortunately, the Devils could not pull off the win. Even though the team did not make it to the semi-finals, the most memorable victory of the season was in round one of the playoffs against Fitchburg. The Seniors wish the upcoming Girls' Basketball team good luck for next year's season and all they do in the future.

This years Blue Devil ice hockey team, took a small step back from last years squad. They finished the regular season with a record of 12-7-1 and were 6-3-1 in the Roy Conference. They were led on and off ice by Senior Captain Ryan Kilroy, Senior Assistant Captain Bobby Housser and Junior Assistant Captain Cam Maillet. Ryan Kilroy led the team in goals and overall points, he also led the entire Roy Conference in those categories. Also aiding in the Devils offensive attack this season were Sr. Bobby Housser, Jr. Cam Maillet and Jr. Neil Gaudet. The Devils also had four representatives at the annual all-star game. They were: Anthony Cornacchia, Bobby Housser, Ryan Kilroy and Cam Maillet. The Devils mustered a playoff berth solidifying the tenth seed in the MIAA tournament. The Devils were led by Junior goalie Jordan Baldasaro in net, when they defeated Blackstone-Millville Regional 8-3 in the first round with Ryan Kilroy leading the scoring by capturing his first hat-trick of the season. They faced off against Marlboro in the second round and lost 4-1 with an empty net goal for Marlboro ending their season. Highlights of the season include: defeating FHS 3-0 on home ice, defeating the Central Mass. Champion Gardner Wildcat 4-3 and defeating the defending State Chamion Longmeadow Lancers 5-3. The Blue Devils battled through a great amount of adversity the best they could, but never reached their preseason expectations. Good Luck next year!

This year's wrestling team was led by head coach Ben Algarin, assistant coach Matt Algarin, and team captains, Tony Mastrapasqua, Mike Mastrapasqua, Stephen Buono, and Michael Leahy. The 2007 LHS Blue Devils' wrestling team put a tremendous effort into every meet that they went to. Although the effort was there and the Blue Devils wrestled their hardest throughout grueling practices and a tough schedule, they did not produce a winning record. However, this was partly due to low numbers and inexperience. With a young team this year, next year looks promising for the LHS Wrestling Team.

# GOLF

The Varsity Golf team enjoyed one of its best seasons under ninth-year coach Daryl Robichaud finishing their regular season schedule with a 17-1 record and won the Mid-Wach A League Tournament, as well as Regular Season Championship. The team was led by two-time defending team MVP Richie Powers who led the team in scoring average for the year.

Richie also won the Division One District E Championship at Oak Hill Country Club by firing an amazing 1-under-par 70.

Senior Anthony Ullo had a solid year, finishing second on the team in scoring average while providing strong leadership throughout his final season. Additionally, he won the 2006 Mid-Wach A Individual Championship which was held at Juniper Hill Country Club with a solid round of 74.

By virtue of finishing second to defending State Champion St. Johns (Shrewsbury) the team qualified for its second consecutive trip to the State Championships and third in the last nine years. The team fared well at the state tournament held at Ludlow Country Club by finishing eighth. The eighth place finish is considered one of the best showings by an LHS golf team on the state level.

In addition, Richie Powers was voted MVP, Mike Rivard was elected MIP for the second consecutive year, and Anthony Ullo earned the Coach's Award for the second time in four years. With the team only losing one senior next year, hopes are high for a third consecutive trip to the state finals.

# CLUBS

"For Your Eyes Only"

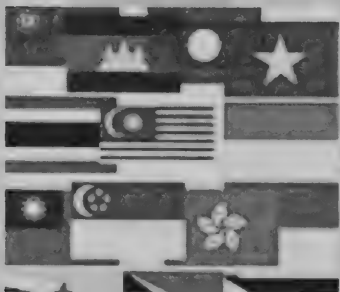

# Step Club

The Step Club had an amazing year. Coached by Mrs. Brown, and choreographed by group members, the squad left everyone in awe after their performance at the LHS Thanksgiving Rally. In addition, they are planning on performing at various competitions throughout the year. The club is welcome to anyone interested in learning step.

# Asian American Club

The Asian American Club has been in existence for nine years. The club members get together to share their cultural background and to have fun. Students gather in order to bring an awareness of the different cultures within the Asian community.

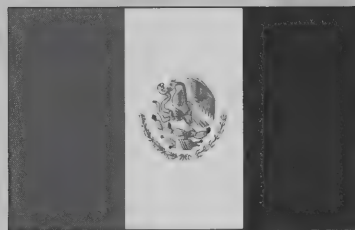

# Black Heritage Club

The Black Heritage Club consists primarily of African-American students whose purpose is to bring forth a history of African-American heritage to our school and community through various means such as bulletin boards, public announcements, and the Black Heritage Assembly. This year, the group was advised by Mrs. Brown

# El Dia de la Raza

'El Dia de la Raza' means 'The Day of the Race.' At LHS, it represents a celebration of the Latino culture. The Latino youth representing different countries in Latin America work together to organize activities such as dances, dinners, field trips, and an educational school presentation. The purpose of the club is to celebrate the differences and similarities among Latin cultures as well as raise consciousness of the diversity that lies within our own student body.

# Sine Arts / Drama Club

The Sine Arts / Drama Club allows students to display their talents and abilities on stage and behind the scenes. Students learn to appreciate both sides of the theater and the importance of working as a team in order to make productions successful. Students spend hours at a time rehearsing and set building. The annual productions that are worked on by the Sine Arts / Drama Club are the school musical, interclass play, Boston Globe Drama Festival, and the all school play.

# Art Club

Art 4 CSC's mission is to provide students with opportunities to explore and discover ways to give back to the LHS community and greater Leominster through the arts. Students learn leadership skills including organizing and carry out large scale projects such as grant writing, public presentations, fund raising, creating ceramic and painting murals. we are working on a five-year project on Nature's Den, and outdoor classroom for formal and informal explorations through the arts, sciences and other endeavors. Members also have access to materials to create their own projects and make special items for fundraising.

**G.I.V.E** stands for **Getting Involved in Volunteer Experiences**. As members of **GIVE**, students participate in projects that benefit the Leominster High School Community and the city of Leominster. Events such as coat drives, food collections, and treats for the troops are some of the year's projects. Anyone is welcome to participate on an as available basis.

## Gay Straight Alliance

The Leominster High School Gay Straight Alliance is dedicated to being a safe place for GLBTQQS/ Gay, Lesbian, Bisexual, Transgender, Queer, Questioning and Straight/ Youth. We stress acceptance and confidentiality (what is said here, stays here). Through our actions, we aim to bring together all GLBTQQS youth, eliminate the fear of coming out, and make the school a safer place for all GLBTQQS youth. We hope to eliminate homophobia, raise awareness, and eradicate hate and prejudice.

This year has been an exceptional one for the Leominster High School Blue Devil Marching Band. It has been a year of firsts, with the band traveling to Florida for their first big trip since the 1980s, the purchase of the new trailer, and the marching band receiving their first award of four stars in competition. The band is immensely proud of their accomplishments over the past year, and is glad to be receiving more and more recognition for their hard work from the community. The community had a chance to show that support at Super Session in early February, which raised money for the trip to Florida. The outpouring of community support has been phenomenal, as has been the high school's recognition. City counselors and school staff members attended the marching band competitions, and the winter concert was widely viewed as the best anyone had ever seen. The band was asked to once again provide a pep band for several basketball games this winter, which they gladly did, to the delight of the fans. Traveling to Florida in March was beyond a doubt the highlight of the year for all. Band members were glad to have such an opportunity to bond further and to simply enjoy themselves after a year of so much hard work. However, it has also been a bittersweet year, as they say goodbye to nineteen senior members who have been an integral part of the organization for a long time. While these members will be missed, they have helped to build the foundation of underclassmen who will step up to take their place in the years to come, and the band will take the losses in stride as they make this transition into the very bright future.

The Leominster High School Jazz Band has had another successful year. They pride themselves in being a working band and are hired to play at numerous private and public functions throughout the year. A few of these this year have included a Raytheon banquet, Starburst and a show at the Mall of Whitney Field. They continue a trend of being one of the hardest working bands in Leominster, spending strenuous hours of practice in preparation for upcoming gigs. This year, they performed Jazz classics as well as popular contemporary hits including "Sing, Sing, Sing," "Evil Ways," "The Blues Brothers Revue" and "Moonlight Serenade."

# M.O.S.A.I.C. SOCIETY

Many Overly-Sensitive and Artistically-Inclined Children is what the M.O.S.A.I.C. Society stands for. This club lets its members express themselves artistically through poetry readings. Once a month, the group meets and transforms LHS into a jazz coffee-house where anyone can attend, watch, and listen to the members perform.

# RENAISSANCE

The Renaissance Club is a combined effort between LHS and the local business community to reward students for their grades, conduct, and citizenship. The club is open to all students who have desire to strengthen the ties between the high school and local businesses. The primary focus of the clubs is to organize and run three assemblies held during the course of the year.

# STUDENT COUNCIL

# SPIRIT

SCHOOL

Student Council is a very influential club at Leominster High School. They are in charge of running school events such as winter carnival, the annual pep rally, and meet for a treat that promotes school spirit. At the same time, the council makes contributions to the community like the canned food drive, toys for tots, and fundraisers for disaster that may occur. Student Council also promotes leadership skills in their members through conferences like MASC and COMASC in order to help elected members better represent their class and school.

# SAFETY KIDS

Safety Kids is a program of the Multi-Service Center. The program uses educational theater performed by high school students for elementary school students. Safety Kids focuses on many different subjects such as using the buddy system, what to do if you are home alone, or in an emergency situation, issues regarding strangers, staying away from drugs and alcohol, and much more. This program is funded in part by the United Way. Mrs. Maynard's advisory group worked on this program during the 2006-2007 school year.

# NATIONAL HONOR SOCIETY

The National Honor Society is founded on the principles of scholarship, leadership, character, and service. Our service projects benefit both the school and the local community, such as Red Cross Blood Drives and after-school tutoring sessions. All members are required to complete individual service projects that encompass the four principles. All NHS members positively influence the local community by volunteering their time.

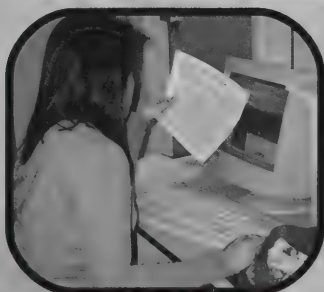

# YEARBOOK

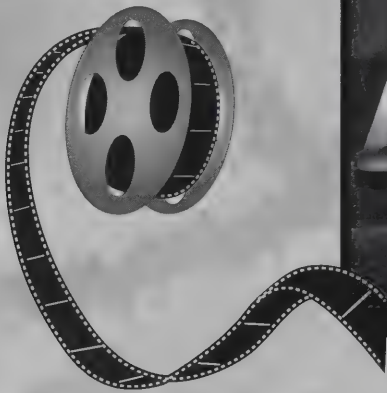

The 2007 Leominster High School yearbook staff consists of about 30 talented student who worked together to create an exciting and accurate representation of Leominster High School. The yearbook is a student published book. The students on the yearbook staff worked hard to meet their deadlines on photographs and write-ups, all the while forming a close unit of friends. The 2007 Leominster High School yearbook staff was led by Ms. Wisuri.

# Adv. Television Production

LEAVCTV Channel 9 is Leominster High School's television network. Our goal is to show the community some of the many positive activities, clubs, and events that take place regularly at our school. Video announcements at LHS are also done by this very hard working group.

# Future Problem Solvers

The Future Problem Solvers Program is a yearlong program that engages gifted and talented students from each grade level who participate in this program. Each team involved is encouraged to demonstrate creativity in solving complex issues facing society.

# Newspaper

The LHS School Newspaper, 'The Devil's Advocate' is published several times a year. Its goal is to provide a forum for ideas and viewpoints of the interest to the school. The students in the Journalism course, as an informational and learning process, join the newspaper staff. Work from the entire student body is accepted for publication. Mr. Oxford oversees this student run publication.

# Jobs for Bay State Graduates

Jobs for Bay State Graduates is a school career program that focuses on employability and job survival skills. The Bay State career association is a student driven organization that encourages involvement in civic, social, leadership development, and career preparation activities throughout the year gaining valuable experience that will transfer to the work place.

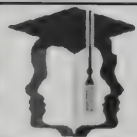

# Mole Society

Every year in Mole Society, we take pride in our experiments. We are advised by Mr. Siemaszko????, who has dedicated his life to science, especially chemistry. We especially like the Puking Pumpkin lad, and various experiments with electricity and fire. we are in charge of designing Mole Day and the Faraday Lectures. These are just a few things the Mole Society enjoys and does through out the year.

*"If it's to be, it's up to me!"*

# Educational Talent Search

Educational Talent Search previously know as Project Go, is a federally funded Talent Search Program from Mt. Wachusett that offers assistance to qualified students in grades 6-12 with college and financial aid applications and admission procedures, preparation for SAT/PSAT, and academic and career counseling. Students take field trips to college campuses and leadership workshops for better test taking skills and learning techniques. Leominster High School's ETS counselor is Ms. Laura Weideman.

# Gamers' Club

The Gamers' Club, Advised by Mr. Brenner is a club in which friends can get together to play various strategic and role-playing games. Our purpose is to encourage our members to use strategic thinking to overcome obstacles through the medium of games. New members are always welcome.

# Athletic Leadership

The Athletic Leadership is made up of captains representing the different sports teams offered at LHS. Their purpose is to recommend and advise the administration and the public of the many sports-related programs and issues that may arise during the year here at LHS.

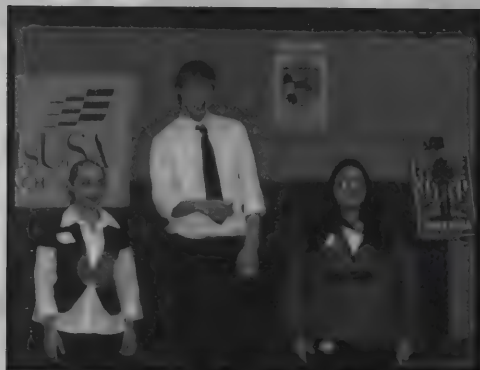

# Skills USA/ Vica

Skills USA/VICA is a national organization whose focus is leadership development. Our motto "Preparing for Leadership in the World of Work" reflects our commitment to skills development, technical excellence and personal pride. With over 300,000 member nationally, Skills/VICA is the largest student organization focusing on workforce education and development.

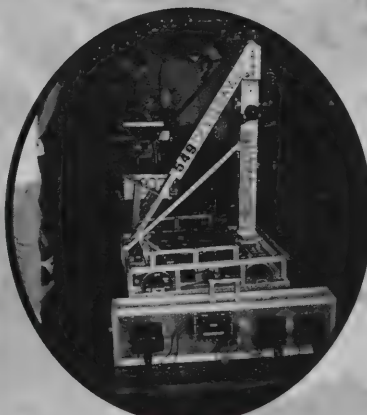

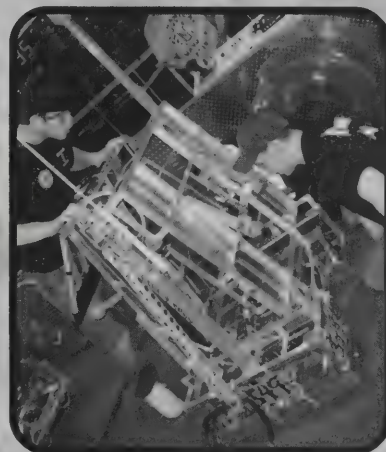

# S.I.R.S.T Robotics

SIRST Robotics Competition (SRC) is a unique varsity sport of the mind designed to help high-school-aged young people discover how interesting and rewarding the life of engineers and researchers can be. The SIRST Robotics Competition challenges teams of young people and their mentors to solve a common problem in a six-week timeframe using a standard 'kit of parts' and a common set of rules. Teams build robots from the parts and enter them in a series of competitions designed by Dean Kamen, Dr. Woodie Flowers, and a committee of engineers and other professionals.

SIRST redefines winning for these students. Teams are rewarded for excellence in design, demonstrated team spirit, gracious professionalism and maturity, and ability to overcome obstacles. Scoring the most points is a secondary goal. Winning means building partnerships that last.
